

# GENTLEMAN'S CHOICE

The mark of a true gentleman is in his stock.

## TRIED & TRUE

Any brand that has persisted for 200 years has done so for a darn good reason. Take **Truefitt & Hill**: Its 1805 line sports an invigorating scent

of bergamot, mandarin, cardamom and hints of sage over tones of sandalwood, cedar and musk. Choose from a pre-shave oil, aftershave balm and shave-cream tub, best used with a handmade Regency Safety razor. Don't forget to top it off with a shot of the cologne. *2B Groomed Studios, 270 S. 11th St.; 2bgroomedstudios.com*

## FOR MEN ONLY

Menswear designer Alan Flusser (the man behind Gordon Gekko's suits in 1987's *Wall Street*) has found a home in Philly at **His Exclusively** men's boutique in Northern Liberties. Owner Vincent Sawyer says of the new line: "It perfects some traditional facets that might not always work for every body type." We're grateful for that, as well as finding one of the only full-bespoke shops in the city. *1021 N. Third St.; hisexclusively.com*

## WHO'S THE BOSS?

The latest name to join the fold at Cherry Hill Mall is **Boss Store**, relocating this spring after a decade in Marlton's Promenade at Sagemore. Shop the full spectrum of Boss brands here, including the finely tailored Boss Selection, for wardrobe-building essentials from weekend casual to nine-to-five-ready. *Cherry Hill Mall; hugoboss.com*

## À LA CARTE IN A SNAP

Photography, made to order: **Leica à la carte** program lets you custom-tailor your M-System analog camera with more than 4,000 combinations of designs and features—color, leather finish and even personal engraving. You'll finally have a camera as distinct and sophisticated as you are. *Dan Black Leica, 41 Conshohocken State Road, Bala Cynwyd; danblackleica.com*

## GIN AND JUICE

**Hendrick's** gin, easily distinguished thanks to its apothecary-style bottle, has been described by *The Wall Street Journal* as the "World's Best Gin." One taste of this award-winning spirit, and you'll understand why. *Fine Wine & Good Spirits, 1913 Chestnut St.; finewineandgoodspirits.com*
